## Foster with Intent to Adopt Application

www.thisisthedog.com 305-508-PETS (7387) 501c3 Non Profit Organization

**Foster to Adopt** is the best way to find the right dog/cat for you. We will work with you to make the most informed decision and completing this application will help to assure a positive experience for you and the animal(s). Upon approval of this application and the receipt of the \$50 non refundable donation, This is the Dog! (TITD!) will place the animal(s) in your home for the one/two week trial period. If the animal(s) is the right companion for you, we will then declare the adoption permanent and finalize the adoption process. The \$50 donation will be deducted from the adoption donation.

All TITD! adoptable dogs are current with vaccines, spay/neutered and microchipped. They all wear a collar and TITD! identification tag. Please do not remove collar or tags while fostering.

This is the Dog! takes reasonable care to screen animals for placement, but we make no guarantee relating to the animals' health, behavior or actions. Rescue dogs are sometimes rescued from situations that create fear, aggression, or unbalance in a dog. We will inform you of any issues your foster to adopt dog has and work with you in every way to help make this experience successful.

This Is The Dog! is a 501c3 non-profit animal adoption/rescue in Homestead. Our mission is to help stop the needless euthanasia of healthy dogs and cats due to overpopulation. We will spay/neuter every animal before adoption and encourage the community to spay/neuter their pets. We firmly believe that educating the community about spay/neuter and humane care of animals is the answer and the hope in stopping pet overpopulation and animal abuse. Our goal is to teach the community to act responsibly in the care of their own pets while also looking out for those animals which are homeless. This is the Dog! does not have a shelter and we depend on community efforts and foster homes to help us accomplish our mission. We are a small group of volunteers that are making a difference. Join us. Please Spay and Neuter.
